SUNDANCER® 350

Form and function. We're often told we have to pick one. Not so with the Sundancer 350, where stylish aesthetics for the jetsetter and power for the explorer combine in perfect harmony. Drive to the places only your heart knows, and when you arrive, entertain with ease in your gourmet galley. First-class amenities in the cabin stretch from the island-style bed to the gorgeous salon and beyond; in the cockpit, conversation flows with ease. Others say: Choose. Sea Ray says: Why not choose both?

The helm is impeccably dressed for ergonomics and good looks and includes a full complement of SmartCraft® diagnostic instrumentation, VHF radio, and room for a variety of electronic options.

From the deluxe galley with ample storage to the solid-surface counter tops and recessed stove, the Sundancer 350 Coupe is fit for a top chef.

The 350 boasts impressive capacity for more entertaining and an integrated, extended swim platform with optional transom gourmet center brings the party right down to the water.

The 350's V-berth comes fully equipped so you can rest easy. The double bed is outfitted with neutral sheets as well as a luxurious memory-foam mattress.

This optional gourmet transom space features a solid surface countertop with electric grill and stainless steel sink.

The luxurious, wood-trimmed mid-berth includes convertible twin beds that convert to a double berth w/slide-out base & dedicated filler cushions.
